Care and Maintenance Guidelines

It is only natural that hardwood floors will show signs of wear over time. You can expect years of beauty from your floor by observing a few precautions and maintaining regular cleaning and maintenance routines.

- Keep dirt, sand, grit and water off the floor by placing outside mats in front of all entrances to your home.
- Sweep or vacuum regularly to rid the floor of dust and grit that can scratch the finish.
- Remove shoes with spiked or damaged heels before walking on the floor to prevent scratches and dents.
- Keep pets' claws trimmed, paws clean and free of dirt or soil.
- Always apply felt pads under any furniture or chair legs to prevent scratches and to ease movement. Keep pads clean at all times and regularly check and replace as necessary.
- Protect the floor when moving heavy furniture or large appliances. Place on mat or piece of plywood and slide smoothly over floor.
- Use non-slip rugs in high wear areas, i.e. in heavily travelled spots and pivot points such as room entries and stair landings.
- Never flood or wet mop the floor with water or any other liquid products. Severe damage may occur that voids the warranty.
- Wipe up spills immediately with damp cloth.
- Exposure to sunlight with its UV rays accelerates oxidation and aging of materials. This may change the colour of the floor. Periodically rearrange the furniture to allow the floor to age evenly.

Armstrong Floor Care Products

Hardwood Spray Cleaner:

A unique cleaner that lifts soil from the surface of the urethane finish without leaving a film. Just apply the cleaner onto a clean cloth for cleaning small areas or spray directly onto the floor and use an Armstrong hardwood floor swivel-head mop with terry cloth cover for cleaning the entire area.

Floor Care Kit:

A quick, easy to use cleaning kit for all urethane finished hardwood floors. Kit includes one bottle of Hardwood Spray Cleaner and one Armstrong hardwood floor swivel-head mop with terry cloth cover, a mega-size mop with swivel handle that makes cleaning quick and easy, even under furniture.

Hardwood Floor Restore Finish:

Is applied on areas of heavy traffic to rejuvenate the floor. The Armstrong restorer can easily be applied for added protection and sheen.

Touch-up Kit:

Used for blending scratches and nicks on urethane finished floors. The kit contains touch-up markers and filler sticks that blend with the factory-finished stains plus complete instructions and materials to easily repair many problems.

Wood Filler:

Designed to conveniently fill gaps, small openings and broken edges. Simply apply the material on the area to be repaired and wipe away excess with a damp towel.

Replacement Mop Covers:

Soft, absorbent, terry cloth covers, elastic-fitted for quick and easy replacement on the Armstrong hardwood floor swivel-head mop.
